Subject: ENUM delegation of E.164 country code +353 for Ireland

Dear Sir/Madam,

I am writing to inform you that I have received the reply from the concerned Member State for your report on non-functional ENUM delegation of E.164 country code +353 for Ireland.

The Irish Commission for Communications Regulation, ComReg, has informed me that the ENUM delegation of +353 to Ireland is indefinite, the same as what was last notified on 20 December 2006. Furthermore, ComReg requests that the delegation of +353 to Ireland be registered in the RIPE Database (DB) and that the corresponding DNS zone be delegated to ComReg indefinitely.

Yours faithfully,
