Subject: Approval of request for ENUM delegation of code 371

Dear Sir,

This is to inform you that I have been notified by the concerned country, Latvia, that it approves the delegation of code 371 for ENUM in accordance with the attached request.

This approval is based on the understanding that all administrative entities, including DNS administrators, will adhere to all the applicable tenets of all pertinent ITU Recommendations, e.g. E.164, E.164.1, E.190 and E.195, with regard to the inclusion of the E.164 resource information in the DNS.

Please also note that the concerned assignee may at any time revoke its approval and request that TSB file an objection to the delegation.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'Chaesub Lee'.
